More information on back

Briefly comment on these work performance areas:

1. How would you rate the student's sense of duty, or responsibility toward the job(s)?

2. Did the student work quickly, thoroughly and productively?

3. Did the student apply good judgment and have technical competence for assigned tasks?

4. Would you recommend this student for future employment in the Crop and Soil Science industry?

5. Are there any areas involving the internship program and/or student that you wish to comment on?

This information will be made available on request to the student and their advisors in Crop and Soil Science per OSU policy. Are you willing to have this information released to others outside the Department of Crop and Soil Science. Students sometimes use the information as they seek employment.

I am willing to release this information outside the Dept of Crop and Soil Science
